We made changes to your 2020 Form 1040

Amount applied to 2021 estimated tax: \$0.00

Your 2020 Form 1040 shows you wanted \$1,251.00 of your overpayment applied to your 2021 estimated tax. We couldn't apply any of the overpayment as you requested because activity on your 2020 tax account may be delaying the release of the overpayment to your 2021 estimated tax.

What you need to do

- You can disregard this notice if we applied the credit after we completed the processing of your 2021 tax return.
- If the overpayment is insufficient or not applied, you should adjust your 2021 estimated tax payments to avoid underpayment and possible penalties and interest.
- If you have questions, call 800-829-8374.
